4th - 6th September 2026

This sixteenth edition of Falsterbo Bird Show (FBS2026) welcomes new and returning exhibitors – both commercial and non-profit making organisations, artisans and hobbyists.

Do not miss this opportunity to reach more than 5,000 visitors, interested in nature and birds, in Falsterbo - a world-renowned area for birds and nature.

Arranged by

Falsterbo Bird Show is arranged by BirdLife Sweden in partnership with Falsterbo Bird Observatory and Vellinge Municipality - in co-operation with the Ornithological Society of Scania and Studieförbundet Scania-Blekinge.

Exhibition Area

The show will be held outdoors at the Nature Reserve on Skanör's Heath. This year we continue to develop the showground in order to have plenty of space for all our exhibitors and activities.

- Food: Kiosk, coffee carts and food trucks within the showground.
- Accommodation: For accommodation see [here](#).
- Presentations: As in previous years, there will be a range of presentations in the lecture tent within the showground.
- Lounge: There will also be a lounge area in the exhibition area where it will be possible to have informal meetings and activities.
